This ball is going to the Olympics.

You could, too!

Enter Spalding's 1976 Olympics Sweepstakes.

GRAND PRIZE – a 3-day, all-expenses paid Olympic weekend for four in Montreal!

200 Second Prizes – Spalding Rick Barry Autograph basketballs!

2000 Third Prizes – Life size, full color posters of Rick Barry in action!

Details and entry blanks at the Spalding Autograph basketball display at your sporting goods dealer.

Take your pick from Spalding's staff of Pro Superstars: Rick Barry, Wilt Chamberlain, Pistol Pete®, Dr. J and Ernie D.

The official ball for the 1976 Olympics at Montreal is the Spalding Top Flite 100, the number one basketball in the world.

But its leather cover is not for your outdoor game. You need a Spalding Autograph ball with a tough rubber cover that can stand up to the beating you'll give it on those hard outdoor courts. An Autograph ball gives you a tacky, sure-handed feel you just don't get from a slick vinyl covered ball. And inside, an Autograph ball has up to 70 miles of nylon windings to keep it round for a lifetime.

Spalding Autograph basketballs. Made in the same factory by the same people who make the Olympic Top Flite 100.

Spalding. The name the game grew up with.

STAN LEE PRESENTS KID COLT OUTLAW

BARTENDER, YOU SEEN ANYTHING OF A HOMBRE WITH BLONDE HAIR AND A BUCKSKIN VEST? HE'S ABOUT TWENTY YEARS OLD, AND NO MATTER WHAT HE MAY BE CALLIN' HIMSELF, HE ANSWERS TO KID COLT, OUTLAW!
HMMM... LEMME THINK NOW...
A BOUNTY HUNTER! I'D SPOT 'IM ANYWHERE! LOOKS LIKE I GOT UP TO LEAVE JUST IN TIME!
"THE MAN-HUNTER!"
THEY CALLED THEM BOUNTY HUNTERS! DANGEROUS MEN, WITHOUT FEAR, WITHOUT PITY! MEN WHO HUNTED OTHER MEN THE WAY A JAGUAR HUNTS ITS PREY! MEN WHO WERE ONLY INTERESTED IN ONE THING... THE AMOUNT OF THE REWARD OFFERED FOR THEIR VICTIM!
Stan Lee + JACK KELLER
ORIGINALLY PRESENTED IN KID COLT #88

NORTH AMERICAN SCHOOL OF DRAFTING, Dept. R-3069

"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "Since enrolling in the LaSalle course, I have progressed from trainee to a management position at three times the income. I now have more confidence in my ability and can better communicate with top management. My future looks even brighter."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study – without interfering with your present work – and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma – a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S. STAN LEE'S SOAPBOX

Hoo Boy! This'll be the shortest Soapbox on record! Yours truly just caught the flu! So between sneezes and fever chills there's just time to finally tell you the name of the third ORIGINS book coming your way this Fall. First there was ORIGINS OF MARVEL COMICS, then SON OF ORIGINS (both still on sale of course and doing better than ever) and now—the big news. No, it won't be called MOTHER IN LAW OF ORIGINS as so many of you predicted—though that might have been a zingy name too—but since it deals with the origins of the Marvel villains we decided to title it—are you ready for this?—BRING ON THE BAD GUYS! I'll give you the line-up in an issue or two soon as I stop sneezing. Oh, and thanks to Jaunty Johnny Conlin for arranging those two great lectures for me at Philadelphia Community College and Burlington County College. Two in one day was really a kick, John Boy. Finally, don't miss the big news next issue about Gerry Conway and Marv Wolfman! No, they didn't defect to the CIA! That's it, gang. And remember—let's be good to each other—we may not be much but we're the only human race we've got. Now open the aspirin bottle and warm up the Jeep, Joanie—I'm headin' for home in high gear.

Excelsior,

Stan

ITEM: This seems to be the month for Mighty Marvel Milestones. True Believer! Not only do the old X-Men do battle with the new X-Men in the panoramic panels of X-MEN #100, not only does the long-remembered Wonder Man return to the pulsating pages of AVENGERS #150—but the fate of the whole blamed nation depends on everyone's favorite red, white and blue Avenger, Captain America—and his high-flying action partner, the Falcon—stopping the dreaded Madbomb from blowing everyone's mind to Kingdom Come and back, in the pages of Marvel's Bicentennial treat to you, CAPTAIN AMERICA #200. If you miss this triumvirate of titanic tales, you'll only have yourself to blame, and we don't wanna give you a guilt complex.

ITEM: Speaking of milestones, this month also sees the second sensational set of MARVEL CLASSICS on your newsstand shelves. The literary greats of yore, and the artistic masters of Marvel combine to bring you such all-time favorites as GULLIVER'S TRAVELS, BLACK BEAUTY, MOBY DICK and the ever-popular TOM SAWYER. No, don't thank us. You know how embarrassed we get.

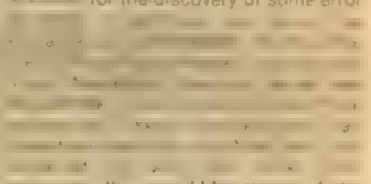
ITEM: And that's not all. Wild Ones. This month we also present the latest and greatest MARVEL TREASURY EDITION, featuring the God of Thunder himself. Yeah, that's right, Goldilocks and his Asgardian buddies battle the Mighty Mangog in a full-length blast from the past! And if you want to see what manner of beast Mangog is doing these days, pick up the current issues of the regular, new THOR. Both are treats for the taste buds of all True Believers. Thou shalt not miss this one!

ITEM: You've been asking for it! And never let it be said that we heed not thy requests! So, from now on, whenever you send for a subscription to any Mighty Marvel mag, your copies will be mailed to you flat—UNFOLDED! You'll find all the details on the subscription ad elsewhere in this issue. With this newest treat, there isn't a single reason not to get your Marvels by mail. Try it, and you're bound to be delighted. Of course, your mailman might not be thrilled carrying about those thousands of extra [illegible]

ITEM: With all the other specials winging your way this month, we don't want the following twin titles to be lost in the shuffle. This is the month we bring back an old friend and try out a nutty new concept we think you'll really dig. So, welcome back KULL THE DESTROYER and say hello to T'HAN-BEAST CALLED WOODGOD! Kull comes smashing your way from the combined talents of Rascally ROY THOMAS, Devil-May-Care DOUG MOENCH, Edwardian ED HANNIGAN and Smashin' STEVE GANIL. And it features the wildest, weirdest sword-and-sorcery sensation this side of Camelot, WOODGOD by Bob MANTLO, KEITH GIFFEN [illegible]

In MARVEL PREMIERE #[illegible] superhero and not your garden-variety type, either. So take a peek at what may be the craziest character to come your way since that fateful day the gamma-irradiated Bruce Banner had his first transformation. While we're at it, let's give another plug to an upcoming mind-boggler from Marvel, namely the all-ment oned new masterwork, The Man Called NOVA! It'll be hitting your newsstand this June, and we'll tell ya' that everyone in the whole blamed Bullpen is just wild over this brand-new superhero. Fact is, friends, we haven't seen so much excitement around here in years, as the gang wonders exactly when Marvelous MARV WOLFMAN, Big JOHN BUSCEMA and Jolly JOE SINNOTT will actually finish the balmy book. Even STAN the Man has caught the NOVA fever, by making this a monthly title even before the first issue comes out! That's how sure he is, and that's how sure we all are that you'll really dig this newcomer. So, join Richard Rider and company for a trek into superhero action like you've never seen before.

ITEM: Lately we've been deluged with No Prize requests for everything from finding a spelling error that one of our infamous armadillos may have somehow let slip by, to discovering a fingernail missing on a character's hand. So we thought we'd like to restate the philosophy behind the No Prize, here and now, where every Marvelite will be sure to read it. Nearly nobody likes to be a loser, and everyone likes to be a winner, so, if we give an actual prize for spotting some major mistake, there will be some losers who won't be getting anything. Therefore we created, long before the dawn of man, or maybe a week or two after, the No Prize! [illegible] for the discovery of some error



the incredible impact of the awesome honor, if and when you get it, will be one of the greatest events of your life—exceeded only by that lateful day when you learn about sugarless bubble gum—or that girls are different from boys.

ITEM: Hey! We're running out of room, so we've got just one rhapsodical request. Y'see, we're trying to work up a list of all the college comic book courses that are being taught across the country, for sinister reasons known only to the High Armadillo. So if ya know of one, a [illegible], or teach such a course, drop us a card, eh? Until next month, don't live in gloom—back FOOM.
